Page 2 of 2

Agenda Item #1—Call to Order

The November 12, 2008 MIOSHA Masonry Wall Bracing Advisory Committee meeting was called to order by Chairperson Kyle Lochonic. A quorum of advisory committee members was present.

Agenda Item #2—Approval of Minutes from October 16, 2008 Meeting

A motion was made by Dan Zechmeister and seconded by Jim Budd to approve the minutes of the October 16, 2008 advisory committee meeting. **MOTION CARRIED UNANIMOUSLY.**

Agenda Item #3—Review Draft 14 dated October 16, 2008

The committee reviewed Draft #14 dated October 16, 2008 and made further changes as noted in Draft #15.

Agenda Item #4—Continue Comprehensive Review of CS Part 2

The committee continued its comprehensive review of CS Part 2 with Patty Meyer presenting her suggested changes. The suggested changes that the committee discussed and agreed upon will be incorporated into Draft #15. The committee also reviewed a mock up of the draft standard as it would look in a 2-column printing style.

It is noted that Pete Anderson of Associated General Contractors objected to language in Rule 214 regarding the responsibilities of the controlling contractor. Mr. Anderson also objected to referencing the “Standard Practice for Bracing Masonry Walls Under Construction” and specifically to language in Rule 3.2.3 of this book regarding the responsibilities of the authorized project agent.

Items to do:

- Scott Walkowicz will recheck the calculations for tables 1, 2, and 3.
- Dan Zechmeister will supply a definition for “Wall Bracing System”.
- Christine Hundt will add language to clarify “referenced standards”.
- Kyle Lochonic will supply a “Sample Plan” for the appendix.
- Christine Hundt will work with Patty Meyer on: 1) language for protecting employees in “public right of ways”, 2) language for recordkeeping requirements in the training rule, 3) language for the appendix regarding projects “not exposed to wind” and that “soil should not be disturbed”, and 4) language regarding the “controlling contractor”.

Agenda Item #5—Public Comment

None

Agenda Item #6—Next Meeting

The next meeting is scheduled for **Wednesday, December 10, 2008 beginning at 9 a.m.** and will be held at the **Associated General Contractors in Lansing.**

Agenda Item #7—Adjournment

With no further business before the advisory committee, the meeting was adjourned.
